

Shopping is fun!

Greetings from BTC City!

info

**THE LARGEST SHOPPING, BUSINESS,
SPORT-LEISURE AND CULTURAL
CENTRE IN SLOVENIA.**

www.btc-city.com

Have you already visited one of the largest business, shopping and entertainment centers in Europe? Have you already visited the largest business, shopping and entertainment center in Slovenia - BTC City? It is a 'must see'! Don't leave Slovenia without a visit.

BTC City is the largest business, shopping, recreational, entertainment and cultural center in Slovenia. It is also one of the largest shopping centers of its kind in Europe. Over 18 million people visit it every year.

You really can't miss BTC City!

BTC City is located on the east side of the Slovenian capital, Ljubljana, just 3 kilometers from the old centre of Ljubljana (bus number 17 will take you directly there) and 400 meters from the city ring road.

You can't decide where to shop?

BTC City is the place to go! It houses more than 420 shops. For example, in the Emporium (Hall D), the most popular place for trendy brands, there are more than 110 clothing trademarks, such as Top Shop, Miss Selfridge, Cacharel, Evans, Lacoste, Hugo Boss, Levi's, Palmers, Skinny, O'Neill, and Think Pink. And let's not forget that this is only one hall! In other parts of BTC City you can also find trendy Mango, Benetton, S. Oliver and others, not to mention shoe stores and all those 'accessories' stores!

Near Emporium you can find Dvorana A (Hall A) with more than 170 shops. There's also an open market place located in the near vicinity.

All this free time! What to do?

When you get exhausted from all the shopping, you will be glad to find out that BTC City is more than just a shopping centre. It is an entertainment centre as well! Here, you can find Kolosej, the largest movie theatre in Slovenia with 12 movie screens. In Millenium, a sport and recreation center, you can enjoy tennis, badminton, sauna, fitness, aerobics, massage, etc. If you like speed, there is also an indoor go-cart track. The most recent project is Water Park Atlantis, which will be completed in March 2005. So, now you know what to do with your free time!

Getting hungry?

All this fun, excitement and shopping really makes you tired and hungry, doesn't it? Don't worry, today you don't have to cook. BTC City offers you more than 30 restaurants and snack-bars. There are all kinds of foods and restaurants that will satisfy everyone. Yes, the offering is great. There are fast-food chains, such as Hot Horse, and also Italian, seafood, Slovenian, Mexican restaurants, and even an open market with a fresh fish food court. For those who are always in a hurry, there are takeaways and a self-service restaurant. There are also a micro-brewery and Scottish pub at BTC City, as well as a horse burger house. Gourmets are recommended to visit Restaurant City, where excellent food is served on the 13th floor of the Office tower, with a magnificent view of the Alps and Ljubljana.

These are just some of the things going on in BTC City. And don't forget: you won't have any problems parking the car – there are more than 7,500 free parking spaces in BTC City. If all that doesn't sound attractive enough to you, there is always something new going on in the area. Come and see for yourself!

YOUTH AVENUE the focal gathering point of BTC City with many sports activities and social events in the open.
