INFO MAP

*Welcome to BTC City,
the largest shopping, business,
sport-leisure and cultural
centre in Slovenia.*

www.btc-city.com

Are you looking for entertainment, sport, and a huge variety of shopping opportunities? Look no further! **In Ljubljana you can find all of these in one place – at BTC City, of course! The City for anyone and everyone.** When you come to Ljubljana, BTC City is definitely a required stop during your visit to the Slovenian capital. Many tourists have made it a regular and favourite destination. You, too, can come to BTC City and join the 18 million people that visit our City each year.

The shopping experience here is so pleasant that it becomes a special event.

When you travel, do you always buy little souvenirs to take home to friends and relatives? And do you enjoy pampering yourself a little, too? At BTC City's 450 stores you will definitely find whatever you are looking for. We have specialty boutiques and also well-known brand-name stores, such as Emporium, Mass, Natuzzi, Giga Sport, Optika Clarus, Baby Center, Benetton, and many more. We invite you to stroll through Halls A and D, where there are more than 200 stores available to you. Let us make your shopping experience unforgettable!

BTC City is far more than a shopping centre. It is also a centre for business, sport-leisure and culture. Every day we add something new – come to BTC City and see for yourself! We have fun in and out of the water for children and adults, including not only swimming, but also relaxing massage and saunas. People that enjoy a large variety of other sports are also welcome, as well as those in search of nightlife or the theatre.

1001 Things to Do

Let us tempt you to come and experience our range of recreational activities at the brand-new recreation centre Arena Vodafone Live. Try your hand at bowling or check out the "Gladiator" billiards hall. There's even a "Terminator" live laser arcade game. Arena Vodafone Live is tailor-made for the young at heart.

Lights... Camera... Action! (And Comedy, too.)

Do you enjoy seeing more than one film in a day? At the Kolosej Multiplex Cinema twelve state-of-the-art, comfortable halls show films from early afternoon to midnight. In the winter months there are also outstanding live theatrical performances at the BTC Comedy Theatre.

Hungry and Thirsty?

We have food to satisfy even the most discriminating palates. You'll definitely find something to your taste in the more than 30 different restaurants and snack shops in BTC City. In a hurry? Find tasty fresh seafood at Delikatesa, located at the BTC Market, Hot Horse at Youth Alley, or try one of our other fast food restaurants. Prefer to enjoy a more gourmet repast? You will find a meal to savour at City Restaurant.

Enjoy the water during all four seasons at Atlantis

Atlantis Water Park has three complexes to serve visitors of all ages. Looking for an adrenaline rush? The two 140-meter-long water slides with unique lighting effects in **Adventure World** will surely meet your expectations. And for the little ones? There are two wading pools especially for them, equipped with various water toys. Worn out from shopping and looking for the best way to relax?

Then you will enjoy the **Thermal Temple**, with soothing thermal pools at different levels connected by cascades. When you walk into **Sauna Land** you will feel as though you are in a different world, with as many as eleven different types of sauna to choose from. Let your holiday begin at Atlantis.

Never a dull moment!

All four seasons at BTC City are enriched with a wealth and variety of activities and events. Youth Alley is especially lively, with wintertime's ice rink transforming into a beach volleyball court in the summertime. Or do you prefer to move to the beat of good music? Then watch out! Our varied musical groups will lure you in. Want to know more? You can find the schedule of events on our website at www.btc.si and in BTC Guide.

How to find us:

If you are getting around Ljubljana by car, just follow the signs to BTC or "Industrijska cona Moste". There are nearly 7,500 free parking places awaiting you! If you have come by bus or train, simply take the LPP city bus Route 17 in the direction of BTC/Letali'ka. There are stops right in the heart of BTC City.

Surely we've convinced you by now, so what are you waiting for?

Go ahead, take some time out for yourself and come visit us.
